NOTE TO: Deputy Director of Personnel

FROM:

SUBJECT: S-1738 -- Long Term Health Plan for Federal Workers

*George*

1. Last October, I sent EB&S and CAP a copy of subject bill for comment. I have it on reliable authority that there will be a push to get this through during this session.

2. I ask that you have appropriate OP specialists review the Bill and provide comment as to its impact and their views on whether or not we need to seek legislative relief. There is a House companion Bill, HR 384, which may also see action.

*Thanks*
